Title of the project: **RoUaSoil: Romania-Ukraine cross border area – The management of the contaminated Sites with oil products**
Project ID: **HUSKROUA/1001/110**

AGREEMENT
between

Technical University of Cluj Napoca - North University Center of Baia Mare and

KOŠICE-EUROPEAN CAPITAL OF CULTURE 2013, n.o.

Considering the excellent partnership between our regions, in the frame of the **HUSKROUA** Programme Project “**RoUaSoil: Romania-Ukraine cross border area - The management of the contaminated Sites with oil products**”, having as applicant Technical University of Cluj Napoca - North University Center of Baia Mare and the following partners:

- Ivano – Frankiv’sk National Technical University of Oil and Gas,
- Maramures County Council,
- Maramures Environment Protection Agency,

We agree to **create and develop relations of cross-border cooperation between them and with regional public authorities, regional public agencies and other universities**. This will improve the information flow and the communication between regions and it will also create the foundation for approaching common issues by using the resources of both communities.

To reach this purpose the partners agree:

- to became part of the “**Regional Cross-border Network of Cooperation Partnership**” in the field of environment protection, management and monitoring, mechanical and industrial engineering; computer and information technology; electronics and telecommunications systems; engineering and environmental protection in industry,
- to develop their scientific cooperation in above domains,
- to exchange information’s in the field,
- to cooperate in student’s education activities and long life learning,
- to cooperate in development of future regional cross-border interest projects,
- to share information in above domain about their projects which are in progress or finalized. These projects will be presented on the website of the project: www.rouasoil.ro

Within this frame, we agree to enlarge the “Regional Cross-Border Network Cooperation Partnership” - which includes Maramures, Satu-Mare counties of Romania and Ivano-Frankivsk, Zakarpattia regions of Ukraine - by including new geographical area: Szabolcs-Szatmár-Bereg, Borsod-Abauj-Zemplén regions of Hungary, Košický region of Slovakia with regional public authorities, regional public agencies and universities.

Our institutes appreciate the opportunity of this organizational milieu extending, for cross border cooperation in common interest domain by developing a **partnership with two components, an educational one and a research one**, in the cross border region Romania – Ukraine – Hungary – Slovakia, in the geographical area proposed by the HUSKROUA Programme, and agree to be involved in.

From **Technical University of Cluj Napoca – North University Center of Baia Mare**
