## Annex 1

### **General conditions applicable to the financial support to the New Entrepreneur selected for a stay abroad with a Host Entrepreneur**

In the framework of the programme “Erasmus for Young Entrepreneurs” the LNIO shall provide financial support to the New Entrepreneur (NE) selected for his/her stay abroad with the Host Entrepreneur (HE). This financial support is subject to the following conditions.

#### **1. Early termination of the stay abroad**

- 1.1. If the entrepreneurs agree to finish the relation within a shorter period than initially agreed on and ask for **early completion** of the stay, both NE and HE must explain the reasons for early termination of the exchange and conclude that the stay abroad nevertheless reached the goals the parties committed to. In this case, the NE is entitled to receive financial assistance for the time he/she actually stayed abroad.
- 1.2. Provided the NE and the HE did not fulfil the commitments agreed to by the HE, NE and the IOs, involved in the Erasmus for Young Entrepreneurs Commitment, the relation will be considered **failed**<sup>2</sup>. Based on the NIO evaluation of the reasons given by the NE for early termination, either of the following actions are to be implemented:
  - 1.2.1 The NE will have to reimburse any amounts received if the relationship failed because the NE did not respect his/her obligations under the Erasmus for Young Entrepreneurs Commitment. The NE will have to reimburse all the advanced payments within 15 working days of receiving a request to do so.
  - 1.2.2. No reimbursement will be claimed from the NE and final payment will be made if the relationship failed because the HE did not respect his/her obligations under the Erasmus for Young Entrepreneurs Commitment.
  - 1.2.3. When responsibility for the unsuccessful relationship cannot be attributed to either the NE or HE, then the decision to reimburse the new entrepreneur will be taken by the European Commission and EASME.

#### **2. Liability**

- 2.1 The NIO cannot under any circumstances or for any reason whatsoever be held liable for damage or injury sustained to the property of the NE or the HE

<sup>2</sup> A relationship is not considered as failed when: the NE stays for the full time of the contract/ the NE and HE mutually agree that the relationship can be shorter than initially agreed and are both satisfied with the exchange/ the relationship breaks due to force majeure.

while the stay abroad is being carried out or as a consequence of the stay abroad.

- 2.2 The NE shall assume sole liability towards third parties, including liability for damage or injury of any kind sustained by them as a result of an infringement by the NE, or as a result of violation of a third party's rights by the NE while the stay abroad is being carried out, or as a consequence of the stay abroad. The NE shall discharge the NIO of all liability arising from any claim or action brought as a result of an infringement by the NE, or as a result of violation of a third party's rights.

### **3. Conflict of interests**

- 3.1 The NE undertakes to take all the necessary measures to prevent any risk of conflict of interests which could affect the impartial and objective execution of the agreement. Such conflict of interests could arise in particular as a result of economic interest, political or national affinity, family or emotional reasons, or any other shared interest.
- 3.2 Any situation constituting or likely to lead to a conflict of interests during the execution of the agreement must be brought to the attention of the NIO, in writing, without delay. The NE shall undertake to take whatever steps are necessary to rectify this situation at once.
- 3.3 The NIO reserves the right to check that the measures taken are appropriate and may demand that the NE take additional measures, if necessary, within a certain time.

### **4. Confidentiality**

The NIO and the HE undertake to preserve the confidentiality of any document, information or other material directly related to the subject of the agreement that is duly categorised as confidential, if disclosure could cause prejudice to the other party. The parties shall remain bound by this obligation beyond the closing date of the action.

### **5. Checks and audits**

- 5.1 The NE agrees that the LNIO may carry out an audit of the use made of this financial support, either directly by its own staff or by any other outside body authorised to do so on its behalf. Such audits may be carried out throughout the period of implementation of the agreement until the balance is paid and for a period of five years from the date of payment of the balance. Where appropriate, the audit findings may lead to reimbursement from the NE to the LNIO.

- 5.2 The NE undertakes to allow the NIO staff the appropriate right of access to sites and premises where the programme is or has been carried out and to all the information, including information in electronic format, needed in order to conduct such audits.
- 5.3 The European Court of Auditors and the European Commission shall have the same rights as the NIO, notably right of access, as regards checks and audits.

## III. SUMMARY OF THE PROPOSED STAY ABROAD

**Months of stay abroad :**

**Planned start date of the stay:** 01 December 2018

**Planned end date of the stay:** 01 March 2019

**Objectives of the stay:** The objective of the match is for the NE and HE to mutually benefit from the respective professional experience. The timing is very good, since the HE has specific project coming up, which would fit the NE's profile very well, and bring the much needed experience on board into the HE's team.

**Description of the work/learning project:** HE will be leading the project, mostly focused on the domain of international cooperation, which perfectly fits the NE's prior experience, as well as her recent projects, such as "Inspiring Change", which she realized this past summer. The 3D Druckzentrum will be hosting various artists at their facilities, on the model of the artistic residency, which NE has an extensive experience with. This meeting of art and technology is something that both HE and NE are intensively interested in, and it relates to NE's future plans when it comes to the development of her entrepreneurial organization. Residency programs

enable authors and experts to spend extended periods of time in other organizations, very much alike the EYE program itself. Having this in mind, the project seems as the perfect breeding ground for extending the expertise of both HE and NE.

**Proposed plan of activities:** NE will spend a period of 3 full months at the HE's office, being involved in all day to day activities relevant to her entrepreneurial project. She will learn about day to day management of a small independent company that is at the crossroads of creative and technological disciplines. The team of HE will also provide in-depth support to her when it comes to perfecting her business plan and making it fully sustainable and proof-ready, reviewing her set milestones etc. On the other hand, NE will contribute extremely valuable knowledge of the creative process and management of creative professionals to the HE's team. She will be doing so by transferring her own experiences via informal communication and participation in meetings, but also by involving herself directly into one of the key projects for HE in this period, the artistic residencies.

**Expected outcome:** We are expecting incredibly complementary and mutually beneficial outcomes of this match. NE will be empowered to instantly start the realization of her business plan, based on valuable experience of the HE, a company that works in a very exact and business-oriented sector, but is also stepping out and into the NE's domain, which is the arts and creativity. This dialogue between these domains that seem so distant and unrelated, is one of the best aspects of this match. On the other side, our successful HE will be rewarded with a new sensibility towards the creative professionals, individuals and audiences, as NE has valuable experience in this regard, specially when it comes to international cooperation, which is at the center of this match. How to work with artists, how to manage the creative process, how to bridge the ephemeral zone of creative act and the exact aspects of technology will be a new value reached by both the HE and NE.
