General conditions applicable to the financial support to the New Entrepreneur selected for a stay abroad with a Host Entrepreneur

In the framework of the programme "Erasmus for Young Entrepreneurs" the LNIO shall provide financial support to the New Entrepreneur (NE) selected for his/her stay abroad with the Host Entrepreneur (HE). This financial support is subject to the following conditions.

1. Early termination of the stay abroad

- 1.1. If the entrepreneurs agree to finish the relation within a shorter period than initially agreed on and ask for **early completion** of the stay, both NE and HE must explain the reasons for early termination of the exchange and conclude that the stay abroad nevertheless reached the goals the parties committed to. In this case, the NE is entitled to receive financial assistance for the time he/she actually stayed abroad.
- 1.2. Provided the NE and an the HE did not fulfil the commitments agreed to by the HE, NE and the IOs, involved in the Erasmus for Young Entrepreneurs Commitment, the relation will be considered **failed**². Based on the NIO evaluation of the reasons given by the NE for early termination, either of the following actions are to be implemented:
 - 1.2.1 The NE will have to reimburse any amounts received if the relationship failed because the NE did not respect his/her obligations under the Erasmus for Young Entrepreneurs Commitment. The NE will have to reimburse all the advanced payments within 15 working days of receiving a request to do so.
 - 1.2.2. No reimbursement will be claimed from the NE and final payment will be made if the relationship failed because the HE did not respect his/her obligations under the Erasmus for Young Entrepreneurs Commitment.
 - 1.2.3. When responsibility for the unsuccessful relationship cannot be attributed to either the NE or HE, then the decision to reimburse the new entrepreneur will be taken by the European Commission and EASME.

2. Liability

- 2.1 The NIO cannot under any circumstances or for any reason whatsoever be held liable for damage or injury sustained to the property of the NE or the HE

² A relationship is not considered as failed when: the NE stays for the full time of the contract/ the NE and HE mutually agree that the relationship can be shorter than initially agreed and are both satisfied with the exchange/ the relationship breaks due to force majeure.

while the stay abroad is being carried out or as a consequence of the stay abroad.

- 2.2 The NE shall assume sole liability towards third parties, including liability for damage or injury of any kind sustained by them as a result of an infringement by the NE, or as a result of violation of a third party's rights by the NE while the stay abroad is being carried out, or as a consequence of the stay abroad. The NE shall discharge the NIO of all liability arising from any claim or action brought as a result of an infringement by the NE, or as a result of violation of a third party's rights.

3. Conflict of interests

- 3.1 The NE undertakes to take all the necessary measures to prevent any risk of conflict of interests which could affect the impartial and objective execution of the agreement. Such conflict of interests could arise in particular as a result of economic interest, political or national affinity, family or emotional reasons, or any other shared interest.
- 3.2 Any situation constituting or likely to lead to a conflict of interests during the execution of the agreement must be brought to the attention of the NIO, in writing, without delay. The NE shall undertake to take whatever steps are necessary to rectify this situation at once.
- 3.3 The NIO reserves the right to check that the measures taken are appropriate and may demand that the NE take additional measures, if necessary, within a certain time.

4. Confidentiality

The NIO and the HE undertake to preserve the confidentiality of any document, information or other material directly related to the subject of the agreement that is duly categorised as confidential, if disclosure could cause prejudice to the other party. The parties shall remain bound by this obligation beyond the closing date of the action.

5. Checks and audits

- 5.1 The NE agrees that the LNIO may carry out an audit of the use made of this financial support, either directly by its own staff or by any other outside body authorised to do so on its behalf. III. SUMMARY OF THE PROPOSED STAY ABROAD

Months of stay abroad :

Planned start date of the stay: 01 March 2019

Planned end date of the stay: 01 June 2019

Objectives of the stay: The NE and HE have recognized a mutual interest in joining forces in a collaborative exchange within the format of an independent arts gallery, which is exactly the planned market according to NE's business plan proposal. HE is already running an independent gallery in Ljubljana, and has extensive experience in managing art projects exhibitions and spaces, thanks to her work at Kino Siska, and now as part of her own gallery. NE is an aspiring cultural entrepreneur with a clear vision for a new service on the Serbian and regional arts and galleries market. Having in mind that HE also has regional collaborations, and the fact that the cultural space of the Balkans is still well-connected many opportunities are opening up for NE and HE not just to exchange experience but also to incite new cross-border projects together.

Description of the work/learning project: NE would spend 3 months working with HE on the

ongoing projects at the Ravnikar gallery space, but also larger projects that are at different stages of development. The cultural tourism aspect would be one of the focal points, and how to tune into that domain within Ljubljana and Slovenia, but also to more widely investigate the connection between culture and tourism. NE would over the course of time get to know the inner workings of the Slovenian art scene and art market.

Proposed plan of activities: NE and HE will be working step by step, covering all the phases of starting up an independent art business, and how to develop it. NE will also contribute her key experiences in marketing and communications. NE would also help with the basic logistics, in order to get to know daily operations of a small-scale business active in the field of art and art management. In this period, a number of projects will be presented at HE's space, namely exhibitions by Jelena Bando, Ana Milenkovic and Sufi Jan Ababri, as well as the group exhibition of as many as 100 authors from the Balkan region, on A4 format. NE would be collaborating on programing, content management, communications to artist and partners, researching for fundraising etc. HE expresses its willingness to support NE's ideas and expectations, as well as an all-around review of NE's business plan according to newly acquired experiences.

Expected outcome: NE is expected to be deeply empowered by this stay, having in mind how "close" this match is when it comes to the field of expertise. She will have direct insights into the daily operations, strategy and planning, and based on this experience will be able to reflect on what can be employed in her plan to start a business in Serbia, one that would look at the same niche of the art market, which in a way needs to be developed itself (to create demand). The cultural similarities between Serbia and Slovenia are increasing the potential of real, applicable insights having a good impact on NE's further plans with her company. Eventually, she will have tried or developed all of the activities needed to accomplish her plan of starting a consultancy agency for independent art galleries in Serbia and the region.

THE HOST ENTREPRENEUR UNDERTAKES TO:

Comply	with all arrangements negotiated, particularly the NE's work/learning project, and to do his or her best to achieve the objectives and make the stay a success.
Assign	to the NE tasks and responsibilities that match his or her knowledge, skills, competences and objectives and ensure that appropriate equipment and support are available and that the NE's work/learning objectives are achieved.
Foster	the NE's understanding of entrepreneurship and how to start-up a business.
Provide	practical support if required.
